Terms and Conditions

1. The Hill's Feeding Scheme entitles a staff member to one free bag of Hill's for one dog or free Hill's food for up to three cats every second month. 2. The Hill's Feeding Scheme is valid for 12 months and is available on Science Plan and Prescription Diet. 3. A Prescription Diet may be requested only if recommended by a veterinarian and verified by their signature. 4. Hill's will calculate the food supplied based on the pets size and product selected. 5. The food supplied is strictly not for resale. 6. This offer is only extended to staff members currently in the employ of a practice or vet shop. If a staff member moves out of the veterinary industry, the offer is no longer valid. 7. It is the responsibility of the staff member to make Hill's aware of any changes to the delivery address for your free food. If we are not notified of the change and the food is delivered incorrectly, we will not be able to replace the bag. 8. It is the responsibility of the staff member to notify Hill's if there is a change of food. The staff member must fill in a change of food form and email it to Hill's at least three weeks before your next food order is delivered. 9. Hill's reserves the right to alter, delay or cancel this promotion without notice. 10. Hill's interpretation of these terms is final and no correspondence will be entered into.
